Sir,

Subject - Remission of toll-gate and shandy khist amounts in Bowringpet Municipality

---

I have the honour to forward herewith the records received from the President, Municipal Council, Bowringpet with his No O C 26/48-49 dated 16-8-48 and to state that the weekly shandy of Bowringpet was stopped for four weeks from 27-11-47 with my notification No M C 665/47-8 dated 27-11-47 on account of infection of cholera in the Town The shandy and toll-gate contractors who had purchased the right to collect taxes at the shandy and toll-gate represented to the Council that they had suffered a loss during the period of stoppage of the shandy on account of epidemics and that there was also no proper assemblage at the shandy a few more weeks after the period of notification The Council after looking into the accounts of the shandy contractor, resolved on 3-12-47 that proportionate khist amount may be remitted for a period of four weeks The question of remitting the khist amount asked for by the toll-gate contractor was not discussed at that meeting as he had not produced the accounts for check Subsequently, the shandy contractor represented to the Council that the remission sanctioned by them was small and will in no way compensate the loss he had incurred The Council at their meeting held on 29-4-48 have resolved that remission of the khist amount for a further period of three weeks may be sanctioned They have also resolved that similar concession may be shown to the toll-gate contractor also, as he had also suffered loss during that period

Though the Council have recommended remission of -

P T O

khists for a period of 1¾ months, I am of opinion that it is reasonable to remit the khist amount for a period of only one month during which the shandy had been stopped by a notification issued from this office I therefore recommend that the khist amounts of Rs 291-12-0 and Rs 362-8-0 towards shandy and toll-gate arrears respectively which are equivalent to the loss sustained by the contractor in four weeks may be remitted The annual lease amounts of shandy and toll-gate are Rs 3500/- and Rs 4350/- respectively and it is on this basis that the amount to be remitted is calculated The President, Bowringpet Municipality will be requested to recover from the contractors the amount corresponding to 3 weeks immediately

Yours faithfully,

Sir,

With reference to your letter No AS-C 235/48-49 Dt 16-9-48 in regard to the grant of remission in respect of the Toll-gate of Shandy Contractors of the Bowringpet Town mcf for the year 1947-48, I am directed to ~~request~~ enquire why the remission is calculated on the basis of months and not on the basis of weeks and to suggest that the remission may be calculated for four weeks for which the holding of the Shandy was forbidden and not for one month as the former calculation ~~of four weeks equal to one month~~ is more exact and also means a smaller amount of remission than otherwise.

A fresh resolution of the mcf ~~to remit the amount as calculated~~ in this behalf above may be obtained

Forwarded to Lord for orders. ~~I recommend to be sent by you to the remittee as appears to be calculated on the above basis~~ Jims Griffing
